

Mitel® NetSolutions® SIP Business Line Reseller Referral Program

Exclusively For the Mitel 3000 with Broadband Access Module

By combining the Mitel 3000 with the optional Broadband Module and Mitel NetSolutions SIP Business Lines with Broadband ADSL services, small businesses can deploy a complete, turnkey, communications solution that provides advanced features, affordable connectivity and reliable bundled communications services.

Refer your Mitel 3000 customers to Mitel NetSolutions and earn additional income on your Mitel 3000 sales! Solution providers who refer and register their Mitel 3000 customers with Mitel NetSolutions will receive up to \$500* per customer as a referral fee when the customer purchases and installs Mitel NetSolutions SIP Business Lines.

Close More Sales with the Mitel NetSolutions SIP Business Lines Customer Rebate for the Broadband Access Module

Qualifying customers can receive a rebate of up to \$500* per location to offset a portion of the cost of the Broadband Access Module. Rebate eligibility is subject to restrictions and requires installation and acceptance of the Mitel NetSolutions SIP Business Lines service.

You Provide the Lead, NetSolutions will Complete the Network Sales Process

A Mitel NetSolutions Network Specialist will contact your customer and complete the sales process for the SIP Business Lines service. All you need to do is refer your account and provide additional follow up information if required.
